Art Unit: 3727

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The rejection over the prior art of record is withdrawn. The claim presents the relationship between the diameter of the center panel and the area of the opening less than .05 square inches (323 mm<sup>2</sup>) and an aspect ratio of between 1.5 and 1.7. The examiner previously recognized the optimization of the "inrush flow rate" as set forth in the examiner's interview dated 03/23/05 (see graph dated 03/23/05). Applicant's new data satisfied the optimization range of the aspect ratio between 1.5 and 1.7 as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tri M. Mai whose telephone number is (571)272-4541. The examiner can normally be reached on 7:30am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan Newhouse can be reached on (571)272-4544. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
